**Help us capture the connections being made during the Symposium with a 1-minute survey:**

<https://survey.tradoc.army.mil/EFM/se/0EE8827F5BE6BD18>

**Surveys are anonymous.** You can provide an optional contact to get connected to others who are interested in similar topics

Complete this survey **as many times** as you want throughout the Symposium - we want your feedback in real time!

**What is this for?** Real-time feedback on connections during the Symposium helps us identify the most useful topics for follow-up and the next Symposium

Got other types of feedback? A **survey invitation** will be emailed after the Symposium to get a full range of feedback
