

CCC MODERNIZATION COMMANDERS' FACT SHEET

THE MODERNIZED CAPTAINS CAREER COURSE

Beginning 01 October 2022 all Army Captains across all components will have access to a more *adaptive and flexible* Captains Career Course (CCC). The modernized CCC consists of new self-paced learning followed by a redesigned CCC curriculum focused on MDO.

Captains Career Course Common
Core (C5) DL

Self-paced Online Learning

Captains Career Course - Modernized

MDO-Focused Curriculum

KEY TAKEAWAYS

- First Lieutenants and Captains inbound to CCC will have access to the new CCC Common Core (C5) Distributed Learning (DL) beginning 01 October 2022.
- Officers can benefit from lessons in C5 DL to include topics such as the Army Profession, Mission Command, Operations, the Operations Process, and Unit Training Management while at their first unit of assignment.
- Officers will have access to C5 DL once promoted to First Lieutenant and can complete the lessons at their own pace prior to arrival at CCC.
